

Dmytro Hoida

JUNIOR SOFTWARE TESTER

Click or scan to access my digital CV with more detail & hyperlinks

PROFILE

A recently certified (**ISTQB**) manual software tester aiming for entry-level positions to get the first commercial experience at QA. Teaching others has made me a **quick and enthusiastic learner** myself. Currently in the middle of completing **CS50 online course** (actively learning **C, Python, SQL, HTML & CSS**). Fluent in **four languages**. Ready to start working right away.
